EXAMINER'S REASONS FOR ALLOWANCE

1. Claims 1-21 are allowed.

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach nor render obvious the overall claimed combination of a hinge system comprising a motion limiting member being pivotally connected to the lower member and further being pivotally connected to the end portion of the lower strut (claim 1), and a knee brace comprising a motion limiting member engaged to the device and being pivotally connected to the end portion of the lower strut (claim 17). Therefore, the invention defined in claims 1 and 17 is considered novel.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
